yes, a train pick up would be great....I was planning on taking the train but had not yet focused on the details of which train I will be taking...I am in a St Louis airport at the moment and will arrive in JFK around 3:30 today.....I will do whatever you tell me to do in terms of train....thanks

Hi, I understand you are planning to attend the seminar tomorrow. Are you taking the train to Morristown? If so, someone in our office will be happy to pick you up.
